

Tupelo Bay Golf Villas II Spectrum Service

New owners should call Spectrum Community Solutions at 833-697-7328 (this is tenant support) and set up an account in their name (account must be in their own name not Tupelo Bay Golf Villas) as though they are just setting up service as a new customer with the retail rates. Ask to schedule an appointment for a technician to install (\$59.99 Charge), or find out if you can do a self-install.

All the necessary information for Tupelo Bay Golf Villas Regime II is in the Spectrum. All homeowners must set up an account in their own name **and yes, your account will be set up as a new customer using the current retail rates that would apply to any new customer (this is always done).** You will not be charged anything **UNLESS** you add additional services that are not included in the Tupelo Bay Golf Villas II Bulk contract, like a phone line, (See below for what is covered in the contract).
